new direction, another chance to one who had missed the way. What chance has the child reared amidst the dirt, and damp, and dark of so many of our city tenements? What chance has the girl whose mother is a bad woman? What chance has the Chinaman to know of Christ? The asking of such questions give teach this answer. None that are and given the has been said of him by all classes and all creeds and we doubt not but that he has been welcomed by How give to such people? As the political socialist would give? or the communist? or the anarchist? By no means, and for correct answer we would refer the correct answer we

would refer those who really desire to HERE are some statistics not so pleaknow how to give a chance to an unfor- sant to read about, and others that are. tunate brother or an erring sister, to a There were in the United States last little paper back book, which was sent | year 7,343 deaths from disasters of vatous during the recent holidays, with rious characters; 9,520 suicides, a dethis title: "In His Steps," We begin crease of 1,000 compared with each of to know what is meant by giving them | the two preceding years; murders 7,840, a chance, when we read of a young while there were 10,652 in 1897; there woman of refinement, wealth and pie- were 127 lynchings; the gifts amount ty, leaving her carriage in the crowded to \$23,984,000 as compared with \$33,street to throw her arms around a degraded, drunken sister and against her leges \$15,086,150; to charities \$6,230,300; curses and actual violence, forcing her to churches \$2,029,940; to art galleries

good living. We read somewhere not in the land, but it isn't "abroad in the long since that Mr. Moody no longer land." There seems to be money at gave out at any of his services, the once hand when a new trust is to be formed, popular hymn, "Hold the Fort," say another railroad to be built, a well ing in explanation that it was high- drilled, a venture in Cuba made, a time that Christians had gone out of horseless truck constructed, another statement against silver and in favor the Fort into the open field, from the insurance company organized, &c., &c., of expansion, made by Mr. Richard defensive to an aggressive war against but there isn't a dollar for the betterthe forces of darkness, and so reading ment of our public roads, or the com-"In His Steps," we are taught to go fort and convenience of our plain peoout of luxurious homes into homes of ple. Even the Richmond Times, the sin, out of well carpeted and well cush- prince of gold bugs, says we "need opinion; and that as such it is worth ioned churches into the slums to give more paper money," and why not no more than the opinion of any other the unfortunate a chance. Throw out more silver? Is a paper dollar intrin- individual Democrat of equal promithe "life line" is better than "holding scally of more worth than a silver the fort?" "Go ye into all the world" dollar? Don't let's be guilty of the bave expressed the opinion, that so far is better than entering richly uphol-stered cathedrals, a "word in season" lar stands behind each paper dollar to ling to the Democratic National Conand by the wayside is better than clo | make it good. It isn't so; never was | vention, is | concerned, Mr. Croker quence from the platform. We know so, and never will be so. "As good as might just as well stay at home. who they are. Let's help to give them | gold" is fiction, but the fact is that Uncle Sam's paper dollars are better than gold dottars. They are no cow-

WASHINGTON LETTER.

From our Regular Correspondent. WASHINGTON, Jan., 9, 1899.

Senator Mason fired an unexpected raising of the stars and stripes over hombeshell into the ranks of the Philippine annexationists when he THE Spanish General who witnessed offered his resolution, starting with a The Spanish General who witnessed the final act in the surrender of Cuba, is said to have wept like a child, dependence—"Whereas, all just powers that's no reflection on his courage or of government are derived from the back, kidneys, liver, bladder claring that the U. S. will not attempt to govern the people of any other country without the consent of the In Chicago, where they threaten to country without the consent of the lynch councilmen, whipping has been abolished in the public schools, and it is said that the boys no longer tuck their gloves in the seats of their pants.

The Chicago, where they threaten to being compelled to go often during the being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its what the latest official advices state it

It is proposed to add two more cabinet positions, a portfolio of commerce and one of mines and mining. A new executive mansion is talked of too, We need one and can afford the cost.

Roberts, the much married Congressman, is defaut. A legion of Congressmen have been defying public belief that the acceptance of a commission with the latest official advices state it to be, we have got to govern them by force or not at all.

Representative Bailey won his constitutional fight without a report from the House Judiciary Committee, although the members of the Committee by mail, address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention that you read this generous offer in the Farmville Herald. gressman, is defiant. A legion of Con- are understood to be unanimous in the gressmen have been defying public belief that the acceptance of a commisdecency time out of mind. This, how- sion in the volunteer army, by a Repever, is no reason why the American resentative, vacates his seat in the people should submit to it any longer. House, Czar Reed won Mr. Bailey's SAM SMALL says army chaplains are the vouchers for the pay of the three

is no place on earth where a consecra-ted man of God can do more good than

Representatives is full of protests from ex-Confederate soldiers against the proposal of Senator Butler, of N. C., to

of some of its horrors. How? By the common consent of those who make war. Why not go a step further and do away with all wars? The same common consent will accomplish it. The suggestion of the Cax isn't visionary.

Dr. Cady's Condition Powders, are just what a horse needs when in bad condition. Tonic, blood purifier and common consent will accomplish it. When the yea and nay vote was taken, however, the appropriation got a small majority, and this year's scare in prime condition. Price 25 cents per package. For sale by Cunningham & Co., Druggists.

that, in his opinion, the trade advan-

This was fully demonstrated when the Senate adopted, over the vigorous protest of Senator Davis, Chilblains, Corns, and all Skin Erupzled. This was fully demonstrated vigorous protest of Senator Davis, sioner, Senator Hoar's resolution calling upon the President, if not incompat-Rev. Moses Drury Hoge, D. D., able with public interests, to send to

and Porto Rico will have to read the testimony of Alger-controlled army officers in order to find out what elegant beef that was, and how mistaken they were in finding fault with it. A man who was in both places and who knew what he was talking about remarked: "The testimony of some of these officers is quite as nauseating to me as that embalmed beef was."

There are reasons for the belief that his dickering with Aguinaldo cost E. Spencer Pratt, the position of U.S. onsul at Singapore, to which Robt. A. Mosley, Jr., of Alabama, has been sible for Aguinaldo's being taken to be had. Manila by Admiral Dewey, a fact of which he boasted in recently published official correspondence. It is stated that Pratt resigned his position, but he

was probably officially invited to do so. As a rule, Democrats in Congress decline to discuss, for publication, the Croker, head of the Tammany organization, further than to say that they accept Mr. Croker's assertion that the statement was made as his individual nence. Privately, a number of them

How To Find Out.

Fitl a bottle or common glass with your water and let it stand twenty four hours; a sediment of settling indicates an un-healthy condition of the kidneys; if it stains your linen it is evidence of kidney pain in the back is also convincing proof that the kidneys and bladder are out of

WHAT TO DO.

There is comfort in the knowledge so and every part of the urinary passage. It corrects inability to hold water and

Mr. T. Z. Noles, of Byron, Ark., says: "My daughter had been chilling about nine months and I had used four chill tonics according to directions, and they did not cure. One bottle of Ramon's Pepsin Chill Tonic cured her. She has not chilled in nearly three months. I bought two more bottles and cured three cases of chills with them. I am not willing to be without Ramon Chill Tonic and Bill. Tonic and Pills.

Terrer, Salt-Rheum and Eczema.

The intense itching and smarting incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very by and Skin Ontiment. Many very bad-cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes.
